MINDFULLY MADE

Gasser has been manufacturing chairs in Youngstown, OH since 1946. We manufacture high-quality chairs while embracing our core values of being respectful, accountable, process-driven, and adaptable. It's a commitment to the things we believe in most...our people and your chair.

Gasser invests the time and resources necessary to make chairs of the highest quality. This commitment requires using premium internal components and a quality assurance program in every step of the process. Add to that industry-leading customer service and it's clear how we maintain long-lasting partnerships.
