# LOUNGE & CONFERENCE SEATING

2025

## MINDFULLY MADE

Gasser has been manufacturing chairs in Youngstown, OH since 1946. We manufacture high-quality chairs while embracing our core values of being respectful, accountable, process-driven, and adaptable. It's a commitment to the things we believe in most...our people and your chair.

## SIT DOWN – STAND OUT

Most chairs fill a space. Gasser chairs elevate them. Gorgeous finishes and fine tailoring make Gasser's chairs stand out above the rest. This is why our chairs call many of the most prestigious properties around the world home.

## WHAT'S INSIDE MATTERS

Gasser invests the time and resources necessary to make chairs of the highest quality. This commitment requires using premium internal components and a quality assurance program in every step of the process. Add to that industry-leading customer service and it's clear how we maintain long-lasting partnerships.
